CHA Strong Father's and Families Event

The Clarksville Housing Authority celebrated its first Strong Families Event on June 19. The Strong Families event is a HUD concept that is encouraged across the nation for public housing agencies to participate. The focus of the event is to empower, education, and economic self-sufficiency among all residents. The day consisted of family fun, games, food, and community resources for families and youth. CHA also kicked off their summer camp that will take place at Summit Heights June 22- July 22. The summer program offers enrichment classes such as gardening, art, music, bike mechanics, yoga, and youth male and female mentoring.
